What did the Proclamation of 1763 do?  
Stopped westward expansion at app. Mins.  
to control the flow of settlers  
to control the fur trade  
to keep people contained to tax them  
Protecting colonists is expensive

How and why does a government regulate trade?  
why - to protect the people and their jobs  
How - an import tax on foreign goods (tariff)  
Foreign labor is less expensive
